# R.I.S.E. Program

## Redefining Independence, Safety, & Empowerment

A free, hybrid education & empowerment program that covers topics on employment readiness, financial security, and community involvement.

The curriculum includes skill development on:

- Resumes, cover letters, and interview preparation
- Budgeting and long-term financial planning
- Education on family law, civic engagement, and education options

R.I.S.E. provides participants with the tools and confidence to set goals, network with resources & fellow community members, and reach new milestones.

To sign up for our next session of R.I.S.E., contact AWP's Volunteer Manager, Maddie Bavis
